Tony and Jess, thanks for doing what I don't do enough. Appreciate great work (which I do all the time) and say something about it (not enough). Thanks everyone for continuing the great work on PFAS efforts. I appreciate it.

Thanks for the note, Tony. Adding Eric to this as we wouldn't be able to be as responsive as we are without Eric and his team. Eric – thanks for all of your help and work on this and please forward to anyone else we've missed.

Thanks!

Hello Team – Thank you so much for your efforts in turning around all of the PFAS TA so quickly. We definitely appreciate it when you all help us look so good with the Hill. I owe you all and your staff several, please don't hesitate to let me know if anything comes up where I can repay the favor. If I missed anybody, please feel free to relay my note. Thank you!

Have a great evening!
